Arm/Disarm here

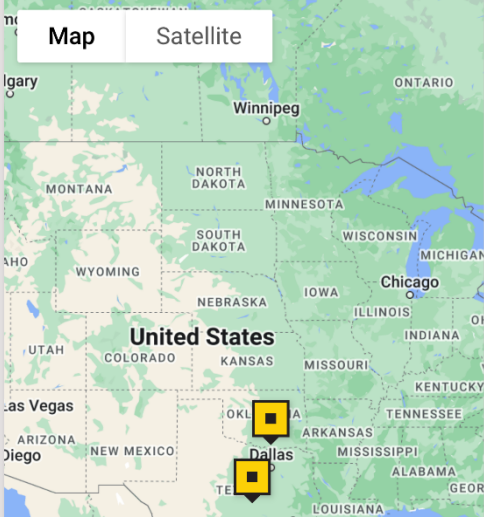

If you arm/disarm and you have alerts enabled, you will get an alert. If you don't get an alert within 30 seconds, refresh your screen. The system may have needed activity to wake up and should now arm/disarm.

HIGHLY recommend to set the arm/disarm alerts. When adding contact, be sure to hit ✓

We want to make sure the system is working properly for you, so please work with it and test all the features.

Any questions, please reach out to us.
